SEMINAR OVERVIEW

This teaching on *Nutritional and Lifestyle Support for Mental and Emotional Health*, will give you tools to understand the system biology approach for mental health support. Walk away with a greater understanding of the roles and relevance of nutrition in supporting the functioning of major neurotransmitters and mental health, and ways to implement nutrition solutions into clinical practice.

REGISTRATION

DC (with CEUs) \$199
Other HCP (NO CEUs) \$149
Staff / Student / Spouse / Etc \$ 99
